Hi Chief Scarpelli,

Thank you for your email. I have shared the MOU with our team. I'm going to get this processed and get a counter signature. Once that is complete, I'll share the completed MOU with you and will make introductions to our partner success team and we will have you on-boarded. This process should take approximately 3 weeks or less. I think this should be complete by the time NNO approaches on August 6, in order for the joint press release to take place during NNO. Our media team, who we will loop in once the MOU process is complete, will be able to share more information on this.

Regarding your query on NNO, may I please request that you share through the NNO form through the following website - <https://communityprograms.ring.com/nno>. This will then be routed to our NNO team, who will reach out to you to facilitate.

Please feel free to call or email me if you have any questions. Thank you for your time.

We look forward to hearing from you regarding next steps regarding this valuable community partnership. It will be great if we can make our public announcement regarding this exciting program (essentially a virtual neighborhood watch) at our National Night Out event on Tuesday, August 6, 2019, which typically draws a crowd of approximately 3,000 people. Would Ring be interested in a booth at the event or like to provide promotional items? I believe Ring was involved to some degree in our 2018 event. We look forward to hearing from you soon!

Chief Scarpelli,

Thank you for arranging our meeting today to learn about Ring's approach to reducing crime in communities.

An overview of our program:

Our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community (via a free app) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is Law Enforcement's access to our platform. Portal highlights include:

1. **No Cost** - Neighbors Portal is free to Law Enforcement.
2. **Community Engagement** - Law Enforcement's ability to join the conversation on the Neighbors app (about posted video or in response to posted comments).
3. **Alerts** - You may post alerts which are highly relevant (proximity) to the recipient.
4. **Video Request** - You may request videos from Ring device owners who may have captured footage, that may be of relevance to new or active investigations.

As the attached MOU is reviewed, please feel free to contact me at any time. My cell number is 832-992-9910. As part of our security protocol, I have mailed a postcard to you with a code. Once you receive it, please enter the code at the end of the MOU document, along with the signature, prior to sharing it with me via email.

In the case where the MOU may need to go before City Council, we want to be sure to provide the proper support in advance. Please let me know if this is the case and I will loop in our PR/Media team for support.

Could you please help me identify the personnel in the highlighted roles? Once we receive the signed copy of the MOU and the information below, we will be ready to move forward in the process.

- ☐ Partnership Coordinator - Chief Anthony F. Scarpelli (anthony.scarpelli@skokie.org)

Thank you for the introduction, Rohit!

It's a pleasure to meet you and looking forward to working with you. I wanted to reach out and schedule the next step of the onboarding process. This will be a short 10-20 minute phone call to learn more about Skokie PD and how you plan to utilize Portal.

I'm pretty booked up this week with travel and trainings, but do you have time next week to connect?

Here are a few times:

- Monday, July 22nd at 10am CDT
- Monday, July 22nd at 3:30pm CDT
- Tuesday, July 22nd at 11am CDT

Please let me know what works best for you and I'll send over a calendar invite.

Best,
Kyle

Subject: Neighbors Portal Activated + PR Materials / Guidelines - Skokie Police Department - IL

Hi Eric,

Reaching out to confirm that the in-app announcement has gone out and your Neighbors portal features are now fully active. Coordinators and Early Adopters should receive email invitations so they can log in and begin using Neighbors Portal.

PR materials and guidelines below are equally important to team success now that the partnership has shifted towards a public-facing conversation. Please review and circulate materials to your internal team as needed.

Ring's PR team is copied on this email (via media@ring.com) please be sure to connect with us if you receive any media inquiries.

Neighbors App PR Materials Folder ([click to access](#)) includes:

- Initial social media announcement templates (a great tool for informing the community)
- Key Neighbors App talking points
- Hi-res Neighbors App imagery

Custom Neighbors App Download Link: <https://download.ring.com/skokie>

Simple Text Code: 'skokieil' to [REDACTED] from your smartphone. (not case sensitive)

Guidelines

- **All public facing messaging and materials that mention Ring and/or the Neighbors App must be approved by both parties**
- **Media inquiries and public requests for information about Ring or the Neighbors App should be flagged with both parties by contacting Ring's PR team via media@ring.com**
- **Per Ring's company policy, we do not publicly disclose any app user or device owner data**
- **Neighbors Portal back-end features should not be shared with the public, including** the law enforcement Neighbors Portal on desktop view, the heat map, sample video request emails or the video request process itself as they often contain sensitive investigative information

That's it for now! We'll be on standby for any questions and keep us posted on any plans for outreach.

All the best,
Kyle Demmin

Hi Denise,

Please see attached for some marketing materials. I'll also be following up with some broader PR materials as well!

Do these work for you? I'm tracking down some NNO related materials as well that'll hopefully be helpful. Should have those by tomorrow morning.

Hi Denise,

Thanks for reaching out. Our operations team usually creates these the day we go live with a training. Let me check to see if they are done. If not, I'll get those created today and get them to you.

I'll also provide some NNO material that can potentially help as well.

Is there a way I can obtain a pamphlet or website information with Skokie info regarding the Skokie Police Department joining Ring? I provided an example for what I was considering to pass out at NNO.

Thank you,

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 5 business days, as the statute requires.

Sincerely,
Shreyas Gandlur

Subject: FOIA request

Dear FOIA Officer:

Pursuant to the Illinois Freedom of Information Act, 5 ILCS 140, I request copies of the following records:

- All documents (including but not limited to emails, memoranda, contracts, or agreements) related to the Village's contract with Amazon Ring
- All emails (including any and all attachments) sent to/received from email addresses associated with the ring.com domain from January 1, 2019 to present
- Any documents (including, but not limited to, emails, memos, guidances, or guidelines) containing any policies or procedures (including, but not limited to, procedures for obtaining video and policies regarding posting on the Neighbors app) regarding either the Neighbors app or RING cameras
- Documents (including, but not limited to, emails or memos) sufficient to show the Partnership Point of Contact, Press/Media Coordinator, Social Media Coordinator, Investigative Coordinator, and Community Relations Coordinator with regards to the RING agreement

The requested documents will be made available to the general public, and not for commercial purposes, in order to shed some light on these contracts with the Village (see, e.g., my blog post at <https://sgandlur.com/ring-map>, for more context on investigations into Amazon Ring).

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 5 business days, as the statute requires.

Sincerely,
Shreyas Gandlur
